## AWARD MESSAGE

Massive shoutout for completely rewriting all payout strategy systems! Your work on wild multipliers is nothing short of brilliant—supporting multiple wilds, flexible aggregation methods, and clean configuration is a game-changer. Handling any number of wilds separated in any number of types with individual multipliers Smart Aggregation – Multiplicative, additive, max, or even custom logic the new system is both powerful and easy to maintain The way you structured this makes it effortless to configure and opens up so many possibilities for future features. Outstanding engineering! Also, massive shoutout for building up the integrity of our team. Always speaking your mind freely contributes for acknowledging all problems without hesitations and creates a safe environment for everyone to speak up about their issues.
